Dear Pastor,

I am contacting churches who have previously advertised in THE GOOD NEWS MONTHLY and also new churches that have recently joined our community with information needed to share their 2025-26 outreach ministries in our thirty-three-year-old, Christian publication—THE GOOD NEWS MONTHLY.

A couple of years ago, we discontinued printing the newsprint copies of our newspaper and focused on producing monthly digital copies delivered via emails from a list compiled over 30 years of publication to pastors, ministers, churches, Christian ministries, and businesses in Southeast Texas. We have also started a practice of posting full color digital copies of our newspaper each month on FACEBOOK AND INSTAGRAM reaching thousands of new readers. Finally, we have upgraded our previous hard copy format of a news printed newspaper to a full color, glossy, news magazine that we produce and deliver quarterly to churches, businesses, individual subscribers, and complimentary copies in selected areas. These changes have allowed us to continue to publish our newspaper digitally each month, print hard copies quarterly maintaining our coverage in established areas, and increasing our readership utilizing both the internet and our new magazine format that is hands on and collectible.

BELOW ARE FOUR PAYMENT PERIODS FOR YOU TO CONSIDER TAKING ADVANTAGE OF DISCOUNTED ADVERTISING PACKAGE PRICES TO ADVERTISE IN THE GOOD NEWS MONTHLY IN 2025-26. WHICHEVER PAYMENT PERIOD AND DISCOUNTED PRICE YOU CHOOSE, YOUR CHURCH WILL RECEIVE THE FOLLOWING FOUR BENEFITS:
